

**Pillans Point School PTA  
Meeting Minutes  
Wednesday 3rd June 2015 7:30pm**

Present: Matt, Theresa, Fuchsia, Katy, Fiona, Carlene, Christine, Natasha, Renee, Kelly, Mikael, Shavaurn.

Apologies: Pip

1. Quiz night

*Saturday 29th August is booked with bridge club*

*Theme - Uniforms. We will use the Uncle Sam 'we need you' US army type graphics. Renee suggested contacting Sue Pepper as she did up some birthday invites for her husband with this theme.*

*Liquor license organised - Kelly*

*Pizza and platters for food as we have done in the past. Matt will speak to James at Countdown regarding support for this.*

*We will also get the bulk of our alcohol from Countdown based on what be sold last year then get a bit extra from the wholesaler because we can return it. Look into getting wine kegs as this could be cheaper and would mean we have less recycling to deal with. We discussed the possibility of having cider as an option and needing to include a light beer option. Matt will speak to Sandy and Amanda who are school parents involved with Steinlager.*

*Auction Items - we will run an auction if we can gather enough big ticket items, and raffle the smaller items. Mikael will make a list of businesses we can contact and distribute for PTA to work through. In the past sports memorabilia has been quite popular so if we could source this that would be great.*

*Tickets on sale first week of term three.*

*3-4 corporate tables but we need to make these more enticing (deluxe platters and champagne cocktails)*

*120 tickets total - same price as 2014.*

2. Compassion freezer

*Date: 20th June from 1pm.*

*2 non PTA volunteers so far - Kelly has these peoples contact details*

*PTA members willing to help: Katy, Shavaurn, Fuchsia, Mikael, Renee, Natasha, Jeneene and Kelly.*

*Kelly will send out a list of utensils we need e.g. crockpots, frying pans, chopping boards etc.*

*School to send out notice regarding donations of homegrown fresh fruit and vegetables people may have excess of in their gardens to be delivered to school in Friday 19th June.*

3. Community Survey

*Questions we came up with...*

*Please list any ideas on how the PTA can fundraise?*

*Outside of fundraising please list any events you would like to see the PTA organise?*

*Disclaimer - please contact PTA if you are happy to support or explain any of these ideas further at [pta@pillanspoint.school.nz](mailto:pta@pillanspoint.school.nz)*

*Any other comments with regards to the PTA*

4. Other Fundraising Ideas

*Family/Community running event: based around the Waikareao estuary and could be team/relay half or full marathon. Family members to enter in house teams and earn house points in doing so.*

*Kids could earn house points too by joining their parents. We could tie it in with school cross country 2016. We would need to contact the council about using this public space. The BBQ would be at the Coach Drive reserve area and we could invite a coffee van and Mr Whippy to join us. It would not necessarily need to have a fundraising purpose but we could if we charged a small entry fee and participants also asked for sponsorship from their wider family, work colleagues, neighbours etc.*

#### 5. School Developments

*Nothing new to report on building progress etc although the council have confirmed that Maxwells Road will be widened so that traffic can parallel park on both sides and traffic can flow both ways. We will lose the car parks at the front of the school and a merging bay into the turn around will be created out in front of the hall.*

#### 6. Sausage Sizzle

*The burners on the current BBQ are not all working. We need to get a new BBQ so Natasha will contact Mitre 10 and Renee will contact Bunnings. Will buy if we can't get one donated or discounted.*

*Mikael will send an email out asking for volunteers and ask Pip to text for the same.*

*Sausage sizzle will be held on the last day of term in conjunction with Mufti Day. Mikael will liaise with Christine S in regarding to how to collect the money, word the notice etc.*

**Next Meeting = Wednesday 5th August but we may need to call a quiz specific meeting before the end of term.**
