process at Pillans Point.

Parents

You will have a
family meeting with
our Ngātahi
coordinator.

Children

1

Our Assistant Principal
or classroom teacher
will visit your child in
their daycare/kindy as
their first introduction
to our school.

2

We will share with you about
our school, what you can
expect to see and what your
child will do when they arrive at
school.

We will then learn about your
child from you, hear about what
you want for them at school and
your understanding of school.

Your child will then be
invited to attend
between 2 visits in our
Kea Team.
School Visits are
Wednesdays between
9:15am - 10.30am

You will receive all of
the necessary enrolment
information & school
information that you
might need at this initial
meeting. We will also
get permission to visit
your child at preschool
and set up preschool
visit dates.

Your child will start
school on one of our
cohort entry dates after
their 5th birthday
(We have 2x cohort entry dates
per term. Please discuss with the
Ngātahi Coordinator about which
date your child will start school)
